Just a Word on Proper Concert Etiquette

All of the students you see on stage have worked very hard. Please keep in mind that they are still learning and are advancing their skills every day. They deserve to be commended.

- Please turn off all electronic devices (or set to vibrate)
- Remain quiet during the entire performance (this includes opening candy wrappers, etc.)
- If you have to get up for any reason, try and wait until the applause or intermission
- Applaud at appropriate times (some music has multiple sections)
- Please stay for the entire concert and show your support to all of the students on stage
