## **CHINA TOUR 2018**

The Hickory Ridge Band has received a prestigious invitation from the US-China Cultural and Educational Foundation to participate in a performance tour of China in March 2018. This prestigious invitation is only offered to two collegiate or advanced high school bands from across the United States each year. This is a tremendous honor for us because we were chosen on the merit of our past concert band performances and the success of our two international trips to participate in the London New Years Day Parade (in 2008/9 and 2015/6).

As this is not a parade, the success of this trip depends upon having the correct concert band instrumentation and a quality ensemble. As an ambassador of the United States, we must represent our school, community and country to the best of our ability. As such, we need as many members of the band to travel with us in order to make this a successful trip.

The first deposit from all traveling members is due on *February 16*. The additional deposits are due on April 4, June 6, August 1, October 3 and February 1 (2018). Each deposit is \$600.00 per person. To help offset the cost of the trip, several fundraisers are already underway, with several more planned for this year. We hope to alleviate the cost of participation through these fundraisers - so please take advantage of them and participate. If you are a business owner or wish to help contribute to the cost of the trip through a donation to the band, please contact Mr. White or one of the Band Booster board members. We thank you in advance for your support and help!

When deciding on whether or not to participate, please keep in mind cost vs. value. The total cost includes all expenses, except the traveler's international Visa, one meal, and spending money. All other costs, including 10 days of travel to Beijing, Shanghai, The Great Wall, The Forbidden City, Tiananmen Square, hotel, charter bus transportation while on the ground in China, a full-time escort from the US-China Cultural and Educational Foundation, and more. The value of the experiences that students will receive from attending the trip will last a lifetime! Please plan to join us for this once in a lifetime opportunity!
