Just a Word on Proper Concert Etiquette

All of the students you see on stage have worked very hard. Please keep in mind that they are still learning and are advancing their skills every day. They deserve to be commended.

- Please turn off all electronic devices (or set to vibrate)
- Remain quiet during the entire performance (this includes, opening candy wrappers, etc.)
- If you have to get up for any reason, try and wait until the applause or intermission
- Applaud at appropriate times (some music has multiple sections)
- Please stay for the entire concert and show your support to all of the students on stage

TONIGHT'S KICK-OFF EVENT OPERATION TOY DROP

Hickory Ridge Bands is proud to announce that it will support Operation Toy Drop this year. Operation Toy Drop combines the efforts of Army, Air Force and civilian service organizations in a truly unique event.

The Toy Drop is a philanthropic project where paratroopers at Fort Bragg coordinate the collection and distribution of new, unwrapped toys for needy families and social service agencies. The event culminates with approximately 1,200 paratroopers participating in a non-tactical airborne operation supervised by foreign military jumpmasters.

As an added bonus, anyone who donates toys for Operation Toy Drop will be entered into a raffle for prizes.

The cash prizes total \$50, \$40, \$30 and \$20. The drawing will be held on Saturday, December 10th. All winning ticket numbers will be posted on the band website.
