North Carolina Concert Festival

Purpose: To provide students and teachers a means of receiving constructive comments by competent judges, to stimulate and recognize musical growth, and to provide students and teachers a means of hearing musical works performed by other school groups.

Concert festival is viewed as the EOC test for bands all across North Carolina. Though the ensemble grade for performance is not counted toward or against school ABC's or AYP, the opportunity to perform "where it counts" is no less strenuous for the performers and their directors. Months of preparations go into one performance so that the best possible results can be achieved by our students. Cabarrus County has a fine tradition of well-performing ensembles and that tradition will continue tonight. Thank you to all of the students and their parents whose hard work has made this process possible.

Thanks

Dr. Barry Shepherd, Superintendent, Cabarrus County Schools

Cabarrus County Board of Education
